

IPPS 2014 Annual Fall Meeting October 23 – 26, 2014

*The Palmer House Hilton
Chicago, Illinois*

Featured Speakers

Khalid Khan

is Professor of Women's Health and Clinical Epidemiology at Barts and the London School of Medicine, Queen Mary University of London. His expertise is in clinical obstetrics-gynecology, patient-oriented health research and medical education. He has published over 250 peer reviewed journal articles and authored 20 books and chapters. His educational research explores how best to teach and learn evidence-based medicine (EBM). He is also Editor of Evidence-based Medicine Journal.

Diane Lee

graduated from UBC with a Bachelor of Science in Rehabilitation degree in 1976.

She has been a fellow of the Canadian Academy of Manipulative Therapy since 1981 and completed her certification in Intramuscular Stimulation (IMS) in 2001. Diane is well known for her clinical work on the thorax and pelvic girdle and helping clinicians understand the relationships between regions of the body. Diane is the owner, director, educator and physiotherapist at Diane Lee & Associates (www.dianelee.ca) in White Rock, BC, Canada.

Note: Diane Lee will be presenting our Sunday, Post-Conference Seminar on October 26, 2014 - an event and a meeting you won't want to miss!

Program and registration available soon.
